With positive thinking and a creative mood, we invite you to register your participation in the acclaimed church art exhibition.

O RTHODOXIA has always promoted and highlights ecclesiastical art with its symbols, symbols that over the years adorn the places of worship, contributing to the preservation and development of the industry. In the center of Nicosia at Cyprus State Fairs Authority from Sunday 18 to Tuesday 20 October, 2026, artists, creators, craftsmen of ecclesiastical art will present works of wood carving, gold embroidery, silversmithing, hagiography, metalwork and everything related to the decoration and order of the Holy Temples.

The autumn date perfectly covers the needs of the visitors, as it precedes the festive season! Its co-organization with the art exhibition «ART'S UNFADING LIGHT» will be a point of reference, special dynamics, attracting visitors from all over Cyprus, as well as from neighboring countries. Your personal meeting with the visitors and the presentation of your exhibits is deemed necessary and imposed in the near future.

All of us at ATOU with our maturity and long experience will promote the events creatively and dynamically for their flawless and successful operation, to be again a reference point for the development of ecclesiastical art!
